apfenhardt about success, discipline and about

Isn't that very tiring? No. It simply has to do with discipline

Discipline is exhausting No, it is not. Discipline is a A way of life, a philosophy

Do you also like people, who have no discipline? As long as they don't complain to me, it's fine. But if

such people complain to me that something is wrong in their lives

Königsbache the train station demolished

runs, then I don't like them Most of the time they even get another little scolding from

Your daughters too? I have had no reason to to talk to my daughters like that. Because my way of life has

My daughters have been influenced by this. We parents are role models for our children. what we model for them, how we react in certain situations, how we treat

how we work, how we discuss and discuss

I think they absorbed it all.

That means?

What does money mean to you' Money is a beautiful thing. It would be hypocritically saying that money is not good - especially when you grew up in poverty. I enjoy every cent I have

Having money is pleasant and solves many problems. You can to fulfill many wishes. But when basic needs are met then you should pass on the surplus

That means doing something good. What

Is it of any use to me if I have ten houses I only need one. What Is it of any use to me if I have ten cars I don't need that. If someone comes up to me and

says that he is stuck, then I would not give him money straight away but I would first explain what he wants to change

so that he can earn more or have more money at his disposal in the future. This is helping people help themselves

What would your friends say about You say?

You must actually Ask friends, But I could I imagine that they see me as a power woman who keeps her word that is reliable and fun
