"This is a real encouraging book"

Isabelle Müller, author of "Phoenix Daughter", addressed the sexual abuse of children in the city library

EIL AM RHEIN (BZ). Isabelle Müller's The fight is against sexual abuse. In The author of the autobiography "Phoenix Daughter" thrilled numerous visitors at her reading at the Weil am Rhein City Library.

"This is a real encouraging book," The head of the city library, Ellen Benz, was delighted at the reading about the Visit of the successful author: Isabelle Müller has little time this year nor for readings, because radio and television appearances, such as the recent one on SWR television's Landesschau, occupy the bestselling author's time. Isabelle Müller wants to raise awareness of the issue of sexual violence across borders, such as the border triangle.

In the Landesschau on SWR television The petite writer had recently taken a stand on current cases of abuse and was

the topic is no longer taboo

disappears. "Once is already too much," explained Isabelle Müller. The statute of limitation Cases of abuse are just as scandalous, such as the fact that children statistically seen mention the topic eight times before they are listened to.

"Adults need to better understand how a child is feeling, ask and recognize the victims' silent cries for help," said Isabelle Müller. "You have to tackle the spiral of violence in the middle and then reverse it," explained to her audience. "You can also never lose faith in good and love," Müller emphasized. Long-lasting applause and cheers followed. In In 20 years she had rarely experienced such a lively reading, Ellen Ben attested from the city library. Next, Isabelle Müller's maternal biography publish it, make a film out of it and set up a school in Vietnam.

ten, in which her mother Mè Loan never had a was allowed to attend school.
