

Hope has a name:

Isabelle Müller

Yellow” and profound hostility from fellow students in France in the 1960s made the Eurasia her childhood to hell. Since a Year Isabelle Müller's autobiography moves people across the country and across the country. When the petite woman

When she tells of her life with her charismatic charisma in her readings, the audience listens attentively and quietly. They are impressed

Sometimes the author humorously says: "You may breathe," to express the people's concern

"From every stone they throw before us, we will build our way." The author has built her life according to this defiant motto. The book "Phoenix Daughter" reads

wonderfully condensed style like a Novel and takes the reader on a rollercoaster of emotions.
