Vietnam International Awards 2026 (VIAwards) Ceremony
This year's event brought together over 200 guests from 12 countries to celebrate outstanding achievements, promote international cooperation, and recognize significant contributions to the community and society.

With the theme *Vietnam Forward: Vision - Impact - Alliance* , the event marks a significant milestone in VIAwards' 5-year journey.

A notable aspect of this year's awards is the remarkable outcome of the selection process, including the fact that two nominees were awarded the prize in the Healthcare category.

Professor Michelle Hermiston, Dean and Chief Scientific Officer at the School of Health Sciences, VinUni University, and Ms. Katrin Kandel, Volunteer Executive Director and Board Member of Facing the World, were jointly honored for their outstanding contributions to healthcare.

This result also reflects the diversity of international contributions to the health sector in Vietnam, ranging from developing medical education and scientific research to supporting specialized medical services and improving the quality of treatment for patients.

Also at the VIAwards 2026, Isabelle Müller, writer, illustrator, social activist, and founder of the LOAN Foundation, was honored with two separate awards.

LOAN Stiftung (LOAN Foundation), the educational charity she founded, was awarded the Education Prize, recognizing its efforts in expanding educational opportunities and improving living conditions for disadvantaged children.

Isabelle Müller was also honored in the People's Choice Award category, one of two new categories introduced to celebrate the 5th anniversary of VIAwards.

Decided through a public vote, the award recognizes her personal contributions, positive influence on the community, and ability to inspire others through social activities.

The award recognizes his diplomatic career and his enduring contributions to promoting Vietnam-UK relations, particularly in the

areas of bilateral cooperation, enhancing cultural understanding, and connecting the people of the two countries.

Since its establishment in the United Kingdom in 2022, VIAwards has progressively developed into an international platform to recognize outstanding achievements, encourage cooperation, and strengthen connections between Vietnam and the world.

Through 12 categories at this year's awards, VIAwards 2026 continues to honor outstanding achievements in the fields of healthcare, education, law, finance and business leadership, technology, innovation, architecture, art, hospitality services, and contributions to the community.
